

SURE Test version for clinical practice

Yes equals 1 point

No equals 0 point

If the total score is less than 4, it indicates the probability that a patient experiences clinically significant decisional conflict.

		Yes [1]	No [0]
Sure of myself	Do you feel SURE about the best choice for you?		
Understand information	Do you know the benefits and risks of each option?		
Risk-benefit ratio	Are you clear about which benefits and risks matter most to you?		
Encouragement	Do you have enough support and advice to make a choice?
