If you selected Yes for any statement, you must describe the reportable interests that you have below

Type of interest	Description of interest	Date interest began	Date interest ceased	Comments/explanation (for IPDAS)
Outside position	Consulting fees and research contracts from various entities through my contract research organization, Five Islands Consulting, LLC.	03/26/2011	--	My research and consulting includes developing and/or evaluating shared decision making tools for multiple sclerosis (MS), atrial fibrillation, chronic pain, sleep apnea, and neurocritical care. My consulting included advising Biogen through their MS Quality Steering Committee, Emmi Solutions in developing decision aids, Janssen Scientific Affairs, LLC (training, decision aids), 3D Communications (consulting), Epi-Q (consulting), Synchrony Group (consulting). I serve as a mentor for 2 NIH training (K) grants developing decision tools (no payment). I received an independent research grant from Pfizer (chronic pain), and a research grant from Biogen (MS).
Outside position	Special government employee (SGE) for FDA Risk Communication Advisory Committee (RCAC)	2010	--	I previously served on the RCAC; after rotating off the committee in 2014 I was asked to serve as a consultant to the committee, via the SGE. I receive nominal payment (honoraria and travel expenses) for RCAC that I am invited to.
Outside position	Adjunct Professor, University of New England, College of Osteopathic Medicine (UNECOM)	2011	--	I am affiliated with UNECOM's Center of Excellence for Neuroscience; my involvement has included lectures on clinical reasoning and mentoring in research in chronic pain.
Outside position	NIH Study Section, Small Business Innovations	2002	--	I receive an honoraria and travel expenses for participation in each study
